The screenshot shows a GitHub pull request interface. At the top, a comment from 'vignesh-dev-aws' is shown with the text 'No description provided.' Below this, a commit update is shown: 'vignesh-dev-aws merged commit da9d749 into main 2 minutes ago'. A subsequent message indicates 'vignesh-dev-aws deleted the newbranchtest branch now'. At the bottom, another comment from 'vignesh-dev-aws' states 'Merge completed'. On the right side, there is a sidebar with various options: Review, No review, Assignee, No one, Labels, None yet, Projects, None yet, Milestones, No milestones, and Development. A 'Restore branch' button is visible next to the branch deletion message.
